Cancellation of the European Championships

Due to the current situation of the coronavirus, the IBA leadership and the VSHB have decided to cancel the European Championships this year. The EM will be postponed to next year.

**The new date is May 13-16.05.2021
in Schleswig-Holstein, Germany**

We thank the VSHB for its good cooperation in this difficult time and all other associations. Thank for quick feedback from everybody and for understanding of the situation. We also thank the VSHB for the work they have already done in the run-up to the EM 2020.

We look forward to the European Championship next year. We hope that we will see all the participants again and have a great European Championship next year.
